Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation has completed the review of the following amendment to the San Luis Obispo Council of Governments' (SLOCOG) 2019 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
------------	--------------------

<b>2</b>	<b>Local, State, and Transit Transportation Systems</b>
----------	---

This amendment modifies projects funded from the Congestion Mitigation and Air Quality Improvement Program, Highway Safety Improvement Program, Surface Transportation Block Grant Program, Federal Transit Administration (FTA) 5339b and FTA 5307 Programs.

See enclosure.

The SLOCOG board resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment Number 2. I also recommend that the Federal Highway Administration (FHWA) and FTA approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Projects in fiscal years not within the four-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

to enhance California's economy and livability"*
